SUMMER SKILLS AT UNDER THE UMBRELLA

“ Gain...Retain...Maintain” ...with Summer Under the Umbrella

FREE SPEECH SCREENING WHEN YOU SIGN-UP BEFORE MAY 15TH!!

Dear Parents,

This summer Under the Umbrella is offering small group sessions to assist your child with maintaining skills gained throughout the year. We are implementing our successful Communication, Language, and Social Skills program (C.L.A.S.S.) to ensure that your child continues with a structured, safe, and nurturing environment beyond the typical school year.

Under the Umbrella is offering five sessions scheduled in two-week brackets. Our goal is to continue with our low staff to student ratio of 1:6 in order to deliver quality program services. This summer, we will only be accepting a maximum of 24 children per session, so please contact us to reserve a spot! Attached you will find our 2009 INTENT TO REGISTER form.

Under the Umbrella will be collaborating with Dynamic Therapy, providers of speech, occupational, and physical therapy. Dynamic Therapy will be providing group speech and social skills as part of the summer skills curriculum.

Parents wishing to receive private therapy services are able to do so at Under the Umbrella during and after SUMMER SKILLS CAMP via Dynamic Therapy using either insurance or Medicaid.

For more information regarding our UTU SUMMER SKILLS CAMP or for more information regarding services provided by DYNAMIC THERAPY, please contact us.
